Our mission is to make every encounter with Trinity an encounter with Christ's caring love.

#### PHILOSOPHY

God has given the direct responsibility of educating children to parents. He has also commanded the church "to teach." Teachers form a partnership with parents. Together they want to teach children what it means to put their trust in Jesus as their Savior. Jesus is the reason why the school exists.

#### PURPOSE

Trinity Lutheran Preschool will provide a Christian environment to meet the child's spiritual, emotional, mental, social, and physical needs.

The Preschool will also share the Gospel of Jesus Christ with the children and their families and nurture their Christian growth. Our staff shares a Christian attitude and love toward all children.

## Classroom Learning

#### LEARNING ACTIVITIES

- Writing
- Art
- Sensory
- Math
- Science

- Literacy
- Chapel time

Our daily schedule includes time in our learning centers which are wonderful opportunities for children to focus on different areas of development. Though many look like simple play, we are focusing many learning targets through play. On Wednesdays and Thursdays we have a special Chapel Time with Mady.

What busy and happy little preschoolers!

At Trinity Lutheran Preschool, our teacher, Teacher Lisa skillfully integrates Biblical principles into the curriculum and provide an environment that is fun and challenging. Children are given the opportunity to express themselves, use their imaginations, build lasting relationships with teachers and classmates and become ready for the next level of school.
